FROM THE PRESIDENT'S DESK

Yesterday I spent the better part of my day at Bassendean (Steel Blue) oval watching two Mzenod teams in grand finals. Old boys were every where, coaching , water boys, runners and photographers. The previous day I spent watching the Kalamunda Cougars

in their grand finals and saw numerous Old Boys in the exact same positions. I could go on about Art shows and Golf days but the common factor is the same.

Old Boys giving up their time to give back and to say thank you to all the previous members of the Mzenod community who helped them.

Congratulations to all our premiership student teams. Also I would like to make mention and congratulate Kalamunda Cougars who

had no less than 20 Old Boys in League and Reserves teams who made it into B grade Grand finals. The League side took the flag , but unfortunately reserves just missed out. Steven Bongiovanni ('01) captained the League side admirably. As did Coach of the Reserves side Dean Mann ('98) and Grant Kampen('01).

The 3 Old Boys on the front cover are to be commended on the dedication and bravery in running the Chevron city to surf events in Albany , Busselton and Geraldton . And in case they needed to prove their commitment they decided to finish off their fundraising with a marathon in Perth. You would have to be crazy!(and these 3 guys were at school).

Too finish off I would like to make mention of the Friday 13th Young Vinnies Quiz night. For a small group of year 12's to get together (as school reps for the St Vincent de Paul society) and organize an event was great to be a part of. As an association we were more than happy to sponsor such an initiative that teenage boys put so much effort into.

Jeremy Logan
Mzenod Old Boys President

The 20th Mzenod College Annual Art Exhibition has come and gone and while it was quiet as far as sales go we still had a very successful weekend. Over 1000 people visited on Opening Night and over the weekend to share the wonderful artwork displayed and to enjoy the hospitality Mzenod has become known for. Approximately \$55000 worth of art was sold.

A major event such as this takes many hours of work and the coordinators **Nick Allen, Anne Greenley & Maria Pagotto** have given so much of their time. Not too mention the Mazza Mums , parents and Old Boys.

MAZENOD WINS ITS FIRST OBLATE CUP TROPHY!

On Tuesday 20th August Mazenod took part in the Annual Oblate Cup Sports Carnival against CBC Fremantle. The carnival began in 2008 and after a disappointing result by Mazenod last year, all coaches and teams were intent on a competitive effort in all games. Close to 300 students across all year levels took part in AFL, Soccer, Hockey, Basketball and Rugby. Players in each game for each sport (Y7, Y8/9, Y10 and Y11/12) competed for an overall shield named after an Oblate Priest, and the Best on Ground in each game received a medal named after a Christian Brother. All players competed with sportsmanship and represented Mazenod with pride.

As a result of good preparation, and some outstanding team efforts Mazenod managed to win 10 out of the 20 games, and draw 2. The overall shield for each sport was very close, with both schools competing well. Mazenod (on count back in some cases) won 4 of the 5 shields, an outstanding effort. This meant that, for the first time since the competition began, Mazenod brought home the Oblate Cup Trophy! It was also the first time Mazenod won the Rugby Shield (much to Sister Frances' delight!) and also the Football Shield.

YEAR 12 AND YEAR 8 SWAN DISTRICT FOOTBALL PREMIERES

For the third year in a row the Year 12 Football side (use to be (U/17's but Swans changed the rules) have taken home the premiership flag with **Chris Bolton** (Head of PE) now back to back to back premiership coach.

Also Vice President of the MOBA **Adrian Conti ('87)** coached his side to win the Year 8 Premiership. The Year 8's went thru the season undefeated! Not only is that quite amazing, it was 30 years ago to the day, Rob Holt coached us to our Year 8 Premiership!

Well done to all our footy sides! I am sure all Old Boys would like to hear we are still a powerhouse in footy.

CATHOLIC PERFORMING ARTS FESTIVAL

For our uninformed readers, the Arts Festival is an Annual event involving over 19,500 students from 114 Catholic schools. Performers are awarded Honourable Mentions if they are among the top performers in their category and a shield is awarded to the very best performance in each category. Mazenod College for the first time, won the shield in the Secondary Drama category. Congratulations to Grady Swithenbank, Declan Ryan, Vincent Sala-Tenna and Brandon Carrasquino for their outstanding performance.

MAZENOD STUDENTS RECEIVE AFL AWARDS

Congratulations to the following students who won awards at the Swan Districts Junior Football Association Awards Night: Thomas O'Brien Year 11 (Runner up in the Y12 Competition) Adam Disisto Year 8 (Runner Up in the Y8 Competition) Matthew Russo Year 8 (Leading Goal Kicker Y8 Competition) Joel Curtis (son of Old Boy Paul Curtis ('80) Year 8 (Winner in the Y8 Competition).

EVERYDAY HEROES!

Well the road trip trio did it. Last issue you would have read about Old Boys **Mat McGillivray, Jordan Maxwell and Alistair Martin** all from the class 2006 raising funds for Toy Box international by running all over the state in Chevron events and then finish with the city to surf Marathon. The boys raised \$3000 for the charity and completed something amazing in their short life.

YOUNG VINNIES "FRIDAY THE 13TH" QUIZ NIGHT

The Young Vinnies organized and ran their fundraising quiz night on Friday the 13th. Over 150 people attended and raised in excess of \$2500!! Anyone who has held an event like this knows the work that goes into it. Add to this their final exams in 2 weeks! So the boys in the adjacent picture deserve to be congratulated.

The MOBA donated prizes and assisted where possible to ensure the night was a success. It is great to see the staff so involved and even getting into the theme.

SEAMUS DOHERTY ('86) 2ND PRIZE WINNER FOR MOB TIPPING COMP.

After leaving Mazenod I worked in Fire Assay in a laboratory for just over 12 months then enlisted into the Australian Regular Army in 1988. I was posted to Sydney, Brisbane and Townsville in the Royal Australian Engineers Corps as an Explosive Detection Dog Handler. As a soldier I have been to Somalia in 1993 as part of the Op Solace Operation with American and other international troops. I was discharged from the army in 1994 then returned to Perth and worked with a couple of security firms before I travelled around Europe for several months.

I joined the WA Police in 1997 and worked at various stations in the metropolitan area for a few years before moving into Forensics.

I spent seven years in Forensics and moved to the Bunbury area where I worked at Bunbury, Australind and Harvey Police Stations.

In 2012 I moved back to Perth into the WA Police Bomb Squad where I am still working.

I have four children ranging in ages from 14 to 23 years

BRAD PECZKA (CLASS OF '04)

We were married on the 12th of January this year at St George's Cathedral in Perth, followed by a reception at the Esplanade River Suites in Como. My brother Scott Hutchinson (class of '09) was a groomsman, and the wedding was attended by family, friends and a number of old boys - one of whom travelled internationally for the occasion! A wonderful day was had by all!

Thanks very much, hope you enjoy our update!

Anthea Peczka (Hutchinson) (St Brigid's Class of '04)

HARRY NISJEN: ('04) AND ALEX BUTLER ('05)

Congratulations to Harry and Alex who finished 8th in their category for the Targa West Rally. The team would have finished possibly 3rd or 4th if not for mechanical problems. Harry mentioned that the sponsors were happy with their progress and next year his team plans to compete in the same category and build on their success.

LUKE ADAMS ('08)

Following is an email received from Luke's mum Kaylene after I enquired into how Luke was progressing since the violent incident he was a victim of in Northbridge 2011. I though it very inspiring and look forward to future updates.

Luke just completed another 3 units at uni, and did very well, he received distinctions for all three units, and now is looking forward to the new semester. He is doing well, his positive attitude and desire to overcome any obstacle continues to amaze us all.

His neurosurgeon tells him every time we see him, there really isn't a science for what he has overcome and that he is truly a miracle. Luke also had his drivers license reinstated 4 weeks ago, so he is soaking up his freedom again, we just keep our fingers crossed and pray he doesn't have any further seizures. He is also now training at Mt Lawley for the upcoming cricket season, and tells me how well he is batting,

not one for lacking confidence is he? His life may never be the same, and there are things that he can never do for medical reasons, but all in all his outlook on life is a lot brighter than we could have ever imagined.

We are always grateful for the love and support he received at the darkest times, and continue to be thankful for the support he continues to receive. Please pass on our thanks to all those at Mazenod who truly wished him only the best.

Kaylene Adams

Please support Luke in his mission to eliminate violent and anti-social behaviour in the Western Australian community. thelukeadamsfoundation.org.au/
