### FROM THE PRESIDENT’S DESK

I would like to begin by acknowledging what a great community we have at Mazenod College. I sent out a request for donations for a Mazenod family who are living through a very tough situation. The response was unbelievable.

What I admired most were the donations from recent graduates who have a sense of empathy non-existent in some their own age. A big THANKYOU on the behalf of the family. We have truly made a difference.

On a another sad note (some might not agree! excluding me Brian!) Our Rector and a major initiator of the old boys movement, Father Brian Maher will be leaving Mazenod College, (and so will his news letter articles unfortunately!).

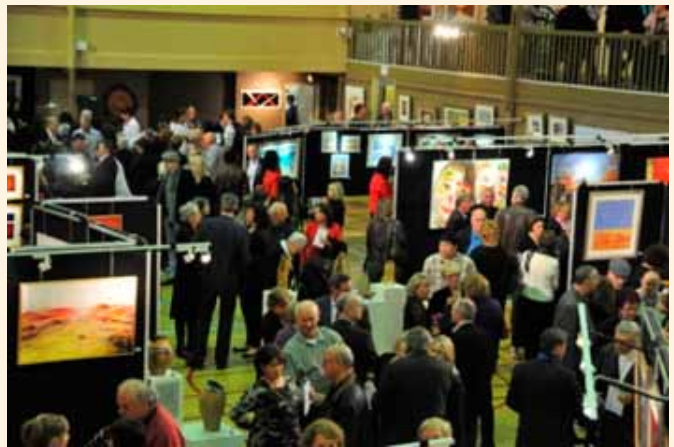

Replacing him as Rector in 2014 is Fr Peter Daly who was with us from 1987 to 2001. Father Brian is a great supporter of the Mazenod Old Boys Association and having worked with Fr Daly previously I know he will be right behind us.

### MAZENOD COLLEGE FINE ART EXHIBITION & SALE CELEBRATING 20 YEARS FRI 30 AUG – SAT 31 AUG & SUN 1 SEPT 2013

This year we are celebrating 20 years of the Art Exhibition. As this is a special milestone we hope many old boys are able to join us on Opening Night or over the weekend to enjoy the artwork. The Exhibition is fast approaching and to ensure its success we are also looking for helpers for Opening Night and over the weekend. We appreciate the help past parents, old boys and friends have given over the years and ask that if you can spare time over the weekend it would be gratefully accepted. If there are any interested parties that would like to be sponsors to help with the production of tickets, catalogues etc your support would also be greatly appreciated. Please contact us on (08) 9291 6500, [greenley.anne@mazenod.wa.edu.au](mailto:greenley.anne@mazenod.wa.edu.au) or [pagotto.maria@mazenod.wa.edu.au](mailto:pagotto.maria@mazenod.wa.edu.au) if you are interested or would like further information.

**Anne Greenley & Maria Pagotto**  
Coordinators

### MAZENOD STAFF PLAY “MURDERED TO DEATH”

This years staff production was once again a great success. The production was dedicated to the late Barry Moss who has worked with the Mazenod staff in many productions. Old Boys Liam Mallon ('06) and John Keogh ('04) brought a level of youth to the play against the ebb of old timers like Nick Allen.

### SINGAPORE HOCKEY TOUR

During the April school holidays our Hockey squad toured Singapore.

Not only did the boys play a few games and see the sights but were fortunate enough to be able to have a day's immersion into a regular Singapore (government) school, Teck Whye Secondary. The boys were partnered up and attended class with their buddy's, whilst the staff were given a tour. This reinforces the fact how important these tours are for our boys to gain experiences they can carry for life.

### ANZAC CEREMONY

Mazenod College was well represented in the Kalamunda RSL's ANZAC ceremony. Two of our Prefects, Zach Heyes and Declan Brown were introduced to Ken Wyatt MHR for Hasluck, who gave them some good advice about developing leadership skills. Reports from other community members relayed how well the young men conducted themselves.

### OLD BOYS BACK FOR YR 10 CAREERS WEEK

Thanks to the Old Boys who returned to Mazenod during June to assist Year 10 students gain valuable insight into careers. The careers carousel and guest speaker presentations were a great experience for students to ask questions and also for teachers to see how their ex students were doing. See also the guests speakers article in the following pages.

### CONGRATULATIONS TO BEAU AND DANIELLE HEMLEY

Mazenod staff member and legendary footy coach, Beau Hemley and his wife Danielle welcomed Charlotte Calliope Hemley into the world on 23/6/2013 a bit premature but healthy. Congrats to you both.

## – OLD BOYS NEWS – IT'S AMAZING WHO YOU RUN INTO!

**Michael Mann ('02)** Deputy Principal and past College Captain **Jeff Ronan ('76)** was recently on long service leave and happen to run into Michael at Santorini Island in Greece. Michael who I am sure was pleasantly surprised now lives and works in Greece.

*L-R: Noah Roderick-Smith, Joe Piasecki, Will Rosa and Lucas Allen.*

On a excursion to the Careers Expo at the Perth Convention Centre last Friday, teacher **David Hiatt ('75)** ran into Old Boy **Joe Piasecki ('04)** who is in the Navy.

In an amazing coincidence ex Mazenod teacher **Rob Henderson**, ran into **Jim Engelke ('88)** in a hotel in Xuzhou. Jim is now working for a Chinese firm and is based in Kununurra but travels to China from time to time. I thought the chance meeting in a country of over 1 billion people was an even bigger coincidence than the article above. Rob is now Principal of Ipswich Grammar in Queensland and can be contacted through the College.

**Chevi Hughes ('05)** I also ran into Chevi while on a flight to Kuala Lumpur. I didn't recognize this feral straight away but he picked me.

Chevi was on his way to wedding in Thailand and if I remember correctly was plumbing here in Perth. Sorry if I got that wrong Chevi.

### ANDREW GREENLEY ('08)

On Thursday the 21st of March we hosted the **Gnaraloo Turtle Conservation Group** of which Andrew is a member of. This is a wonderful group of marine biologists and environmental scientists who travel to schools to promote and engage the wider community with the conservation work that they do at Gnaraloo Station. To have Andrew, Danica and Careena here speaking with our Year 9 specialist students and the Year 12 Integrated Science students about their research was a real highlight and it makes the science real for our boys. It is even better when one of the scientists is an old boy, **Andrew Greenley (2008)**. It was a very professional presentation and the boys enjoyed asking Andrew, Danica and Careena about their research.

### ANDREW GREENLEY ('09) AND JACOB OORSCHOT ('09)

While on the Greenley family, it is great to see Old Boys helping out the College after they graduate.

Here Cameron Greenley ('09) far right, is co-coaching with fellow classmate Jacob Oorschot with the Mazenod Yr. 9 basketball side they coach. It is great to see guys giving up their time to help out. Well done boys!

*Andrew pictured here with current staff member and his proud mother Anne Greenley*

Camtec Electrical is a growing company that does work all over the metropolitan area and more. We mainly work in green energy such as Solar Panels and LED lighting. But also have a wide spread of knowledge throughout the electrical trade that we commonly use to help customers and other electricians. There is no job too big or small for us. Some of our work we have done includes for example the solar panels on the solar panels on the St Bridget's pool Roof and spanning right down to small 1KW systems on households. We also do Smoke alarms, switchboard upgrades and any other job that requires an electrical tradesperson. At the moment we have discounts going on LED lighting and Switchboard upgrades.

Please don't be shy to call and ask us about how we can help you save money and make your families electrically safe.

### PARKERVILLE TAVERN

Quite a few Old Boys have visited the Parkeville tavern since Tom Martin and Ian O'Connor have taken over and they all highly recommend the service, food and ambience. Once nicer weather returns we will be holding a MOB day at the Parky with "Class act" (Mazenod Staff rock band) playing. Stay Tuned!
