

Membership Information

The Mazenod Old Boys Association has been formed in order for ex students to stay in contact with the College and school friends. The following objectives outline what it is we want to achieve. In order to achieve these we need your support.

- To foster interaction amongst Old Boys and to keep them in touch with the College
- To organise such social gatherings as are from time to time determined upon
- To compliment and strengthen the well being of the College and provide material support for education of the students and infrastructure of the College as required.

Membership:

Membership is split into two categories.

Full Membership for all Old Boys who were at Mazenod College for one year or more or Staff who have served more than three years at the College.

Associate membership is for all other members of our community.

Both memberships have all the same rights and privileges except Associate Members are not eligible to vote or take up committee positions. They may take a position in a sub-committee.

Membership fees are a **one off payment** of \$150. Graduates of the current year receive a 20% discount.
